

NGO TRANSMISSION, INC.

Transmission Function Employees

Updated May 2015

Requirement - 18 C.F.R. § 358.7(e)(1)

A transmission provider must post on its Internet website the job titles and job descriptions of its transmission function employees.

Required Postings

Operations Manager - This employee is responsible for overseeing and managing day-to-day transmission operations, including administering all aspects of NGO Transmission's tariff, granting or denying transmission service requests, and scheduling volumes nominated by shippers on a monthly basis. The Operations Manager also serves as the Chief Compliance Officer for purposes of compliance with the Standards of Conduct.

Control Center Supervisor - This employee supervises gas control operations on the NGO Transmission system, which are performed by five Dispatchers. The Control Center Supervisor reports to the Operations Manager.

Storage Supervisor - This employee supervises the operation of three storage fields on the NGO Transmission system. Two Field Operators report to the Storage Supervisor. The Storage Supervisor reports to the Operations Manager.
